

Anti-Social Forces Exclusion Policy

Anti-Social Forces Exclusion Policy

SERIKA TOURISM Co., Ltd. excludes any and all relationships with organized crime groups, members of organized crime groups, related parties of organized crime groups, corporate racketeers, groups engaging in social or political racketeering, special intelligence violent groups, and any other equivalent anti-social forces.

If the Company determines that a customer, business partner, planning collaborator, supervisor, content provider, local operation partner, or other related party falls under or has a relationship with anti-social forces, the Company may refuse or terminate transactions, applications, contracts, business collaborations, and any other relationship.

The Company will respond firmly and organizationally to unreasonable demands, intimidation, obstruction of business, and other improper acts by anti-social forces, in cooperation with the police, attorneys, and other external professional organizations.
